Dear All,

In 2023 Northern NSW Football will again take the opportunity to recognise significant community issues and celebrate the diversity within football as a major asset to our game through designated rounds.

Please see below the 2023 designated rounds for NNSWF Premier Competitions:

- Heartbeat of Football Heart Health Round: 28-30 April
- Female Football Week: 19-28 May
- Mental Health Round: 2-4 June
- Pride Round: 23-25 June
- Indigenous Round: 30 June -1 July

The value of designed rounds

Football has a competitive edge over rival codes because we value commitment, responsibility, and inclusivity. Designed rounds communicate these values within and outside of the premier football community.

Are designated rounds mandatory?

Designated rounds are a great opportunity for your club to engage the community on important issues, but they are not mandatory.

NNSWF will provide resources and information to enable clubs to celebrate and support these rounds at club level, to compliment the work being done by NNSWF.

More information to follow

Our intention here is to provide you with these dates ahead of time, and further information specific to each round will be provided soon.

If you have any questions, please don't hesitate to ask.

Regards,

Liam Bentley
General Manager Football Operations | Northern NSW Football
