Dear all,

Team Sheets

With PYL Pre-Season Cup fixtures commencing from this weekend, clubs are required to complete the attached team sheet template for all PYL Preseason Cup matches until clubs have received Squadi training. The Host Club is responsible for supplying a printed copy of the team sheet template for each grade.

Clubs are asked to send the completed team sheets to competitions@northernnswfootball.com.au at the conclusion of the match day. Team sheets must be sent by Sunday evening at the latest to ensure records are accurate and results can be uploaded to Squadi by NNSWF. Clubs are not required to enter results online.

Playing Kits

In addition, Kit Allocation documents will be provided throughout regular season matches only. Clubs must ensure they have both Home and Away kits at all matches in case of a kit clash.

Clubs are reminded to ensure they have submitted their kit designs for 2023 to rvanewood@northernnswfootball.com.au as soon as possible in accordance with [Memo 75](#).

Squadi Training

NNSWF will confirm dates/information for Squadi training for clubs in the coming days. It is anticipated that Squadi will be fully functional throughout February. NNSWF will communicate the transition to Squadi in due course.

Kind Regards,
Luke Blundell
