NSNWF will be looking to host all of our Grand Final and Cup Final match days at NNSWF Premier Club venues in 2023. Whilst there was a number of matchdays played at Lake Macquarie Regional Football Facility in 2022 due to the heavy rain fall, it is NNSWF's strong preference that these finals go back to club venues.

We understand the benefits from revenue taken through canteen and bar, to showcasing to council that your venue can host big football occasions. With the introduction of 3 more cup competitions plus the change to the 3 tier PYL structure – we have more finals than ever to be played.

As such we are asking clubs who wish to host any finals to fill in the following form:

<https://form.jotform.com/NNSWFComps/nswf-premier-competition-finals>

Please tick any of the finals your club would be willing to host and submit it by 10th June.

NNSWF will then assess all the available grounds and the potential fixtures before reaching out to all host clubs with further information of roles and responsibilities of both the club and NNSWF. It is important to note that clubs will generally not be asked to provide any services on top of typical ground set-up and match day venue operations when hosting finals, as these extra tasks will be undertaken by NNSWF Staff.
