Following the conclusion of Round 1 of the Premier Youth League Cup, NNSWF will be conducting the draw for Round 2 of the Premier Youth League Cup next week. In line with 2023 Premier Youth League Boys Competition Rules - 5. PYL Knockout Cup & Knockout Plate, all teams that won their Round 1 fixture will qualify for Round 2 of the Premier Youth League Cup, and all teams that lost will qualify for the Premier Youth League Plate. Draws will be conducted on an individual age group basis for Round 2 and all subsequent Rounds. Due to the complex nature of this draw, NNSWF will be recording the draw offline as opposed to the Live Draw done for Round 1. NNSWF plan to have this draw completed and uploaded to the NNSWF website for full transparency by CoB Wednesday 14th June. Final fixtures will be uploaded to Squadi for all teams by Friday 16th June.

At the conclusion of the draw, NNSWF will allocate fixture dates, times and venues, taking into account all factors including already scheduled fixtures and travel to and from regional areas. Whilst this will be conducted as a home and away draw, NNSWF may allocate away fixtures for teams drawn as the home team, and vice versa. NNSWF allocating fixtures should assist in reducing some of the burden on club volunteers. Numbers have been allocated in a way to keep as many club's teams together as possible.

Premier Youth League Cup

There will be one single draw conducted for the Premier Youth League Cup Round 2. Due to the number of teams, the 1st 2 teams drawn will receive a Bye into Round 3 of the Premier Youth League Cup. Teams will then be drawn on a home and away basis until all balls have been drawn. As the U13, U14 and U15 have a team less than the U16 & U18, a third Bye will be included in the draw pot for these age groups. To ensure that the Draw Ball #14 is not drawn first or second against the other Byes, #14 will be added to the Draw Pot after the 1st 2 Draw Balls have been drawn.

Premier Youth League Plate

Given the number of teams, there will be minimal matches drawn for Round 2 of the Premier Youth League Plate. NNSWF will draw both Round 2 and 3 of the Premier Youth League Plate, with Round 3 numbers to be confirmed following the Round 2 draw (due to having less teams, the U16 will only have a Round 3 Draw). The number of matches for Round 2 will vary for each age group, with a total of 8 teams needed in each age group for Round 3. The few Round 2 matches that will be drawn in each age group will be played midweek prior to the designated Cup weekend of 15/16 July, which will allow clubs to utilise the designated Cup weekend for their Round 3 fixtures.
