With the introduction of the Premier Youth League, our previous format of awarding both Club Championship Awards and prizemoney for male competitions will need to be adapted to suit the new structure of the competitions, and the pool of prizemoney specific to Club Championships appropriately reallocated.

As such, as this years Van Egmond Jennings medal will be recognising the following three updated male club championship awards which are calculated based on the details below, alongside the unaltered NPLW / PYL Girls club championship:

### NPL Mens Senior Club Championship

- Taking into account only NPL Mens 1<sup>st</sup> Grade and Reserve Grade
- Mens 1<sup>st</sup> Grade: Wins = 8 points / Draw = 4 points
- Mens Reserve Grade: Wins = 4 points / Draw = 2 points
- The club with the highest accumulated points based on the above will be the NPL Mens Senior Club Championship winners.

### Northern League One Senior Club Championship

- Taking into account only Northern League One Mens 1<sup>st</sup> Grade and Reserve Grade
- Mens 1<sup>st</sup> Grade: Wins = 8 points / Draw = 4 points
- Mens Reserve Grade: Wins = 4 points / Draw = 2 points
- The club with the highest accumulated points based on the above will be the Northern League One Senior Club Championship winners.

### PYL Boys Club Championship

- Awarded to the PYL Division A Club who has the highest combined points total for all youth teams as collated on the PYL Club Championships table.

The NPLW / PYL Girls Club Championship will remain consistent with previous years as outline below:
