For reference, player eligibility for the final's series:

6.10. Youth Finals Eligibility

(a) The grade a Player has played the highest percentage of their Matches in is the lowest grade in which they are eligible to participate in the Final's Series:

(i) A Player is eligible to participate in the lowest grade they qualify for in accordance with 4.4 (a) and grades above.

(ii) For the avoidance of doubt, percentage is calculated based on the number of individual games the Player has played, and not the number of games the Team has participated in.

(iii) Should a player have played an equal percentage of their Matches in all grades they participated in, they will be considered eligible to participate in those grades.

(b) Club may seek special dispensation for the specialist position of goalkeeper. All requests will be considered on an individual basis by NNSWF.

(c) Should a Team be removed or withdrawn from a competition, NNSWF reserves the right to adjust finals eligibility requirements for remaining Clubs on the basis of a Player being eligible for the Team they have played the majority of matches for and the corresponding grades above.
