Dear all,

We are delighted to introduce the Premier Youth League (PYL) Advisory Committee for the 2024 season. The primary objective of this committee is to create a platform for open and inclusive discussions centered around PYL football and to encourage collaboration among the clubs within our organization.

What is the PYL Advisory Committee?

The PYL Advisory Committee deviates from the traditional standing committee model. Instead, it offers a unique opportunity for clubs to nominate a representative who will actively engage in discussions focused on the PYL football. Its purpose is to establish a working group of PYL representatives to share their thoughts, concerns, and innovative ideas. This committee will serve as a central hub for inclusive conversations around the PYL football.

Why Should Your Club Nominate a Representative?

By nominating a representative, your club can actively participate in our commitment to the ongoing development of PYL football. This committee provides an opportunity to promote understanding and take part in discussions that will benefit the PYL football community. Your club's chosen representative will directly influence the development of initiatives related to PYL football within our organization

How to Nominate a Representative:

To nominate a representative from your club, send an email to **Steph Carte** at scarte@northernswfootball.com.au with the nominee's name, email, and contact number by **Friday, October 27, 2023**.

We encourage you to consider this opportunity and nominate a representative who can make a positive impact on PYL football. While operational understanding is desirable for advisory PYL committee volunteers, it is not required.

Kind regards

Steph Carte (She/Her)

Senior Officer – Premier Competitions
