Dear All,

NNSWF is seeking your feedback on our Rules and Regulations ahead of our annual review process. Please consider if there are any rules or regulations contained in our key documents which your club considers:

- Could be improved;
- Should be changed;
- Have been or have the ability to be exploited;
- Or are simply unclear.

Whilst we are seeking your feedback on the current Rules and Regulations, Northern NSW Football are currently drafting our policy regarding behaviour towards Match Officials, some of which will be included in the 2024 Rules & Regulations. Please also note that with the introduction of Squadi, some practical changes will be included in 2024 documentation.

Current documentation is available via [Premier Competition Rules and Regulations | Northern NSW Football](#)

We ask that you please provide feedback, and if you have any suggestion in order to improve the Rules &/or Regulations. If you wish to provide feedback, please submit by email to [Steph Carte](#) by **Friday 3 November**

This is your opportunity to suggest changes or raise issues that have impacted you in 2023. NNSWF will again prepare a summary of changes document ahead of season 2024.

Regards,

Steph Carte

Senior Officer – Premier Competitions
