Dear All,

I would like to take this opportunity to confirm the details of the upcoming JDL Technical Director workshops and JDL Coach workshops. The purpose of conducting these workshops is to continue to develop technical directors and coaches in the JDL space to aid player and club development. The workshops that are upcoming are an excellent opportunity to continue this development.

1. Mandatory JDL Technical Director Education

All JDL Technical Directors will be required to attend a JDL Technical Director Workshop. We have two available options for the JDL TD Workshops:

- Saturday 25 November: 9.00am – 3.00pm (6hrs)
- Monday 27 November: 6.00pm – 9.00pm & Monday 4 December: 6.00pm – 9.00pm (must attend both sessions)

Please note that to get the full benefit of this workshop a JDL Technical Director or Technical Lead must attend the workshop. If committee members have been registered to attend this course, the Coach Education Team will be in touch shortly via email to ask your club to register again with a relevant club representative.

If you have not yet registered a JDL TD or Technical Lead for one of the JDL TD Workshops, please submit the form below no later than Friday 24th November 2023.
