Dear All,

I am writing to confirm the fixture release timings for the 2024 season.

All premier fixtures, excluding JDL, will be released tomorrow as scheduled.

- All Northern League 1, Premier Youth League Boys and Charity Shield will be released publicly on Squadi at **1pm Thursday**.
- All NPL Womens and Premier Youth League Girls will be released publicly on Squadi at **1pm Thursday**.
- All NPL Mens will be released publicly on Squadi at **2pm Thursday**.

We have separated the timing for release for NPL Womens and Men as they share social media channels and having the gap allows us to maximise coverage with separate graphics and posts, giving both competitions the most exposure.

As always, should there be any issues in that were not noticed during the draft phase, please contact the operations team and we can work through these.

We also ask that all clubs, with the knowledge of their other fixtures – please contact competitions@northernswfootball.com.au with when you would be willing and able to host JDL matches for the 2024 season by no later than 15th January. The scheduled date for JDL fixture release is 31st January.

I can also confirm the dedicated rounds that Northern NSW Football will be using in season 2024 which are outlined in the table below:
