

CLUB LICENSING MANUAL

November 2023

INTRODUCTION

Football Australia (FA) has issued the FA Club Licensing Regulations, which include the framework and licensing criteria for senior NPL Men's and senior NPL Women's competitions to be mandatory across all Member Federations in 2023/2024.

In particular, the Regulations define the minimum sporting, infrastructure, personnel, and administrative, legal, and financial Criteria to be fulfilled by Clubs, on an annual assessment basis, to be granted a Licence as part of the process to remain eligible for, and to participate in, their respective competitions.

The regulations seek to protect, enhance, and continuously improve the standards of NPL Competitions throughout Australia. In collaboration with FA, Northern NSW Football (NNSW) invites your club to apply for an NPL License for the upcoming season.

Commencing in 2023/2024, NPL Men's Clubs and NPL Women's Clubs will be required to fulfil the set Criteria within the prescribed deadlines to remain eligible to participate in the NPL Men's or NPL Women's competition. For this reason, Northern NSW Football's **Senior Officer - Premier Competitions** (Stephanie Carte) will assist clubs in finalizing their submissions. All queries regarding NPL Licensing and Affiliation should be first directed to scarte@northernnswfootball.com.au.

The purpose of the Club Licensing Manual is to provide the License Applicant with a guide to the documents and information required to be submitted to ensure the License Applicant is following the Regulations. Any defined terms used throughout this Manual have the same meaning as in the Regulations unless otherwise specified.

The Manual includes the Core Processes, Criteria and Requirements.

Core Processes include:

- The NPL Men 2023/24 Licensing Cycle (pg. 3)
- The NPL Women 2023/24 Licensing Cycle (pg. 4)

Please take note of the "Submit" deadlines outlined for each of the Criteria in the Manual and in the online platform. Clubs must comply with the stated "Submit" deadlines. The "Fulfil" deadline has been set at 15th of January 2024 (FYI - the fulfil date is a clubs last chance to provide the information before licensing decisions are made) to provide clubs with the opportunity to submit documents on the platform after the deadline if necessary. However, if a Club makes a submission in CLAS after the "Submit" deadline, this will be deemed a late submission, and the relevant sanction(s) as outlined in the Table of Minimum Sanctions may apply.

NOTE: The Manual references templates have been provided via email to each Club. Please ensure that each template is adapted with the Club's logo/letterhead and any necessary adjustments are made to the text based on the Club's specific situation. The following templates have been amended for 2024 season and will therefore need to be updated: S.02 (declaration), S.08 (new), L.03 (declaration), L.06 (template and declaration) F.05 (declaration), F.06 (declaration), F.07 (declaration), F.09 (declaration), F.10 (declaration). Any declarations made during the pilot cycle will carry over on the CLAS system unless it was signed by an individual who is no longer at the club or if the content declared has changed since being signed.

We look forward to receiving your Club's submissions for the 2023/24 cycle and are available to answer any questions. Thank you for your cooperation and efforts as it relates to Club Licensing.
