Dear all,

Entries are now opened for the 2025 Hahn Australia Cup.

All Clubs must enter by completing the following form via this link: [2025 Hahn Australia Cup Registration Form](#). Terms and Conditions are included during the nomination process.

Nominations will be accepted up until Sunday 2nd February.

The format for the Northern Zone will remain consistent with 2024, with all entrants from the Northern Zone, combined into an open draw. Depending upon the number of Clubs entering the Hahn Australia Cup from Northern Conference up to 5 rounds will be played at regional venues. The draw will be conducted as either a 32 or a 64-team draw. It is likely the 32-team version will be used based on team numbers from previous seasons. In the event of the 64-team version being used multiple *bye fixtures* will be applied in Round 1 to avoid byes being required throughout the remainder of the draw; therefore, it is likely minimal fixtures will take place during Round 1 if required.

As per previous years and with consultation with your Member Zone, the schedule has been condensed to have rounds 1-5 completed in February and March to avoid matches being conducted within the respective zone competitions. We acknowledge recent clashes with local Zone Cup competitions in recent history, however, after input and feedback from Zone Managers, we believe these new dates will provide opportunities for more Regional clubs to take part in the Hahn Australia Cup. As always, NNSWF will liaise with the relevant zone and clubs to avoid clashes and/or localised amendments if still required.
