Dear all,

Northern NSW Football (NNSWF) wishes to inform you that we have made a strategic decision to hold the Regional Super League Final Series at Scully Park in Tamworth.

CEX Stadium, Coffs Harbour was initially considered as the optimal venue for our post-season event. However, it was determined that Coffs Harbour was not a feasible option for the following reasons:

- CEX Venue Unavailability:** CEX, the primary venue in Coffs Harbour, are unable to host our event due to scheduling conflicts and other logistical constraints. This posed a significant barrier to holding the event in Coffs Harbour.
- Synthetic Pitches Unavailability:** Additionally, we considered using the synthetic pitches in Coffs Harbour, however these were also not available for the required dates and, more importantly, did not meet the desired image of what we hoped for the Final Series for both players & fans.

Given the constraints in Coffs Harbour, we have selected Tamworth as the venue for the Final Series. Scully Park is an excellent facility that meets all the requirements for hosting major events. Scully Park is widely recognized as a premier venue, frequently hosting Nationwide events, including prestigious competitions such as NRL and A-League matches. Scully Park boasts top-tier facilities, including a high-quality pitch, excellent seating, and spectator amenities, making it an ideal location to host our Final Series. The venue's proven track record in handling large-scale events assures us that it will provide an exceptional experience for both players and fans.

The Regional Super League Final Series will be held over the October 4<sup>th</sup> – 5<sup>th</sup> weekend. The Format for the Final Series will be identical in the Men's and Women's competitions: Saturday will host the Semi-Finals with the team finishing 1<sup>st</sup> in Group A playing the team finishing 2<sup>nd</sup> in Group B and the team finishing 1<sup>st</sup> in Group B playing the team finishing 2<sup>nd</sup> in Group A. The winning teams of each Semi-Final will meet in the Regional Super League Final on Sunday. Please see image below for times and further clarification.
