Information	Submit updated PPS Rosters	Friday 16 <sup>th</sup> May 12pm	Liam Bentley & Thom Kane	2

Northern NSW can confirm that in line with Rule 10.3, the Player Points System Mid-Season Window will open at 9am on Monday 12<sup>th</sup> May, please note the following key information prior to the window opening:

- Clubs must fully comply with the 2025 Player Points System, including minimum (20) and maximum (23) number of players.
- Clubs are permitted to make an unlimited number of changes to their PPS roster, provide they comply with the PPS cap of 180 points.
- Whilst the window does not fall on a weekend, we do have a significant number of matches midweek, and as such – for any player to be eligible to play in a midweek fixture prior to the window closing, the updated roster must be submitted by 12pm on the day of the match.
- Whilst the roster submission is required, players must also be registered with the club and made active in PlayFootball to be considered eligible.
- If a player deregisters from a club during the window with the intention of being added to a different clubs PPS roster and the previous club does not accept his deregistration prior to the close of the window, provided the player is included on the roster – that player will be eligible to play only when the 7 days has lapsed and the player is registered and made active.
- If no updated roster is received by 12pm on Friday 16<sup>th</sup> May, the current PPS roster for your club will be confirmed as your roster for the remainder of the season.
- If you have no intention of making changes to your roster during this window, please confirm with Thom.
- Northern NSW Football will publish the completed and updated rosters prior to 5pm next Friday.

If you would like an excel copy of your current roster, Thom can send this through.

If you have any questions on the points value of any players, please direct them to both Thom and myself via email to ensure we can give you formal confirmation of a players value prior to you submitting the roster.

I'd also like to confirm once again a couple of points on players signing outside of the registration windows. Players eligible as an under 20 (i.e. turning 20 or younger in 2025) can be signed by clubs outside of the window as a reserves player, and then play in the first grade team as per any normal under 20 player as per Rule 10.4. Please note that the June 30<sup>th</sup> cut off that applies to all registrations applies to these players also.

I can also confirm that overage players may sign for reserves outside of this window but will not be permitted to play in 1<sup>st</sup> grade under any circumstances. Please note that the June 30<sup>th</sup> cut off that applies to all registrations applies to these players also.

Kind regards,

**Liam Bentley**
