Dear all,

I am writing to confirm that NNSWF has added an additional C-Diploma course to be held in season in late May / June.

Given the number of coaches currently involved in our premier youth competitions, including JDL, that require a C-Diploma (formerly known as C-Licence), this course will help ensure a number of clubs can meet their requirements both for this year, but also in preparation for 2026.

The course will run over two weekends: 31st May & 1st June then 15th & 16th June.

The link to sign up for the course is below:

<https://learn.footballaustralia.com.au/training/index.cfm?event=event.assessment.view&eventId=68100ff7e54785001a8c5feb>

Whilst this is during the season and may result in coaches missing 1 or 2 matches, we believe the overall benefits of coach education and meeting the minimum requirements for the leagues in which clubs compete are important. Clubs can organise for either a Technical Director or assistant coach to cover matchday responsibilities for these two weekends.

It is important for clubs who wish to continue in JDL in 2026, or improve their status, that they take the opportunity to get their coaches properly accredited prior to confirmation of their status for the 2026 season, rather than plan to accredit coaches in 2026.

If you have any questions regarding this course, or coach education, please don't hesitate to reach out to Joseph Wright on jwright@northernswfootball.com.au

Regards,

Liam Bentley
