Dear all,

I am writing to you regarding your clubs' use of the full-size synthetic pitches at Lake Macquarie Regional Football Facility. As a long-term user of the facility with a hire agreement, you would be aware that in the event of extreme circumstances that Northern NSW Football from time to time require priority to be given to competition fixtures, over club training.

Given the recent, and current weather, please take this as confirmation that the following dates will now be scheduled as dedicated matchday timeslots here at LMRFF for both synthetic pitches from 5pm onwards and will not be available for training:

- Tuesday 27th May
- Wednesday 28th May
- Thursday 29th May
- Tuesday 3rd June
- Wednesday 4th June
- Thursday 5th June
- Tuesday 10th June
- Wednesday 11th June
- Thursday 12th June

We understand this will impact your general training cycle during this time and hope this notice will give you a reasonable amount of time to source alternatives. We appreciate your understanding as we prioritise playing meaningful matches on our synthetic surfaces. In the unlikely event NNSWF is not able to fill these dates or times with matches, we will work with clubs to release them again for training.

NORTHERN NSW FOOTBALL

Please note all clubs will be provided a credit for use of the facility for those missed bookings, with further details to be communicated.

If you have any questions please let Kean or myself know.

Regards,

Liam Bentley
