Dear All,

We wish to advise that tonight's Charity Shield match, being a season opening charity match, will be subject to the following potential disciplinary action:

Yellow Cards – do not accumulate across into any other competition.

Red Cards – the following offences will not carry their suspensions across into any other competitions:

- R1.1, R1.2, R4, R5, R7, R9.1 and R9.2

All other red card offences will carry their suspensions across to future competitions. Any red cards in the Charity Shield will not count towards accumulation.

In essence, any normal football challenges, incidents or second caution that result in a red card will not carry over, however any violent conduct or abusive behaviour will.
