Dear All,

I am emailing with a reminder that NNSWF's Indigenous Round will take place on the weekend of July 18-20.

If your club has planned to participate in any activations, please register this online via this JotForm: [2025 Club Event Registration - Indigenous Round](#) so NNSWF can notify the football of any events being hosted across our Premier Competitions.

We also ask that clubs email images of Indigenous Round playing strips to [Ruby Charge](#), with information regarding which grades will be wearing the Indigenous strip over the weekend, so kit allocations can be updated to accurately reflect playing strips.

Regards,  
Thom Kane
