Dear All,

The following memo outlines the relevant competition fees and player registration levies for Season 2026, which were approved by the NNSWF Board of Directors on Thursday 27th November. The continued strong financial management of Northern NSW Football has enabled the Board Directors to maintain the vast majority of fees at their current levels for the 2026 Season. There has been a modest increase in the Football Australia Levy.

All payments relating to player registrations will again be made through the online Play Football system. Whilst we will still outline the player registration costs in this memo, in the interest of transparency, they will not form a part of the total fee invoices in 2026.

In line with Season 2025, NPLW players for Season 2026 will only need to have paid the FA Levy in order to be registered and approved in Play Football to be eligible to play. Clubs will be invoiced for the remaining balance of the NNSWF components in July 2026 after the 30th June registration cut-off date.

* Please note that there will be a nominal increase in match official fees. This amount will be issued as the fourth instalment and will be determined by the actual match coverage allocated throughout the season.

The new fee for the Van Egmond Jennings Awards night table has been included in order to increase club representation at the event and simplify the ticketing process to achieve this. This includes 6 paid tickets at a discounted rate plus 4 complimentary tickets to make a full table of 10 people.

As in previous years, to reduce the number of invoices, these payments have been combined and will be split over four instalments as follows:

I would like to take this opportunity to thank you in advance, for your ongoing commitment as we head towards the 2026 season.
