

# Refereeing Football NSW Competition Matches

Newcastle Jets youth teams play in Football NSW Competitions. Football NSW use the Competition Management System Dribl which NNSWF referees must use to complete electronic team sheets. Payments for these matches are also processed through Dribl, so referees must set-up their bank account details on Dribl.

## Dribl

### Setting Up Your Dribl Account

Before you are allocated to Football NSW fixtures, you will receive an email regarding your Dribl account containing a link. Simply follow the required steps after clicking on the link to create your Dribl account. It is very important that you do this within 7 days of receiving the email, otherwise the link will expire.

### Payments using Dribl

To receive payments via Dribl, each referee must first complete the onboarding process to Stripe. The following guide gives step-by-step instructions on how to connect your account.

Referees should ensure they select 'Individual/sole trader' and 'NO' if asked if they have an ABN. If you incorrectly input information,

please email [onlinesupport@footballnsw.com.au](mailto:onlinesupport@footballnsw.com.au) to have the process reset.

## Checking In on Matchday

Checking in on Dribl on matchday for each game you officiate on is essential for being able to complete the match sheet and for being paid for each game. To be clear; if you do not check in for a match prior to its commencement you will not get paid for it automatically, creating inconvenience for yourself and the NNSWF Referees Department. Please follow the following steps on matchday to check in:

- Open the Dribl app and click on the 'Following' tab.
- Click on Northern NSW Referees, then 'Non-Branch Matches'. You may then need to filter by date to find your games.
- Click on 'Match Sheet', then 'Referees'. If you have not already been allocated the game hit the '+' icon to do this and input your name in the correct referee role.
- Click the 'tick' icon. This should go green and means you have confirmed you are present on matchday.
- Repeat this process for all other fixtures you are allocated on for the day.

## Temporary Dismissals

For FNSW Boys' Youth League One and FNSW Girls' Youth League One competition matches, Temporary Dismissals are an otherwise cautionable offence for dissent (by word or action) which, in addition to a yellow card, is punished by an immediate suspension from participating in the next five minutes of the match. If the players first cautionable offence is for dissent, a Temporary Dismissal **must** be applied.

Please see the following graphic about how to apply Temporary Dismissals in a match:

### Notes on Temporary Dismissals:

- Referees signal Temporary Dismissals after giving a yellow card for dissent by motioning with both arms towards the offending player's technical area.
- The 5 minute period begins when play restarts following the Temporary Dismissal, and ends at the first stoppage of play following the 5 minute period.
