- (a) recommencement or extension of the Suspension from the date the breach occurred;
 - (b) additional Sanctions; and/or
 - (c) referral of the matter to NNSWF for further action and/or Determination or Misconduct.

Serving a Suspension

- 13.9 A Club Associate must serve a Suspension without delay. A Suspension remains in effect until it has been served in full, regardless of any change in the Club Associate's status, league, level, Club, or age group.
- 13.10 Until a Suspension is served in full, a Club Associate must not participate in any Match at any level within NNSWF Competitions, whether as a Player, Coach, Manager or Team Official. This restriction applies to Suspensions that are not fully served within a Competition Season, and which are carried over into future or subsequent Seasons.
- 13.11 A Suspension arising from a Finals Series that is not served in full during that Finals

Series will be carried over to the following Competition Season in which the Club Associate participates.

Carry-Over of Suspensions

13.12 Suspensions not fully served in one Competition Season carry over to the next Competition Season as provided for in the Football Australia National Disciplinary Regulations.

Postponed, Abandoned, or Forfeited Matches

13.13 If a Match is postponed prior to its commencement, the postponed Match will not be classified as a Match served under a Suspension for the purpose of calculating the number of Matches remaining to be served.

13.14 A Match that is Abandoned after commencement, or Forfeited prior to commencement, will be classified as a Match served under a Suspension unless one or more of the following apply:

- (a) the Club or Team to which the Suspended Club Associate belongs was responsible for the facts or circumstances that resulted in the Abandonment or Forfeit;
- (b) the incident that caused the Abandonment or Forfeit is referred to the Disciplinary Committee; or
- (c) the Match is subsequently re-played.

13.15 For the avoidance of doubt, where an Abandoned or Forfeited Match is rescheduled and replayed, the original Abandoned or Forfeited Match will not be counted as a Match served under the Suspension, and the Club Associate must serve the Suspension in the next available Match.

Byes do not count

13.16 A bye round never counts toward serving a Suspension.

Completion of Conditions Attached to a Suspension

13.17 Where a Suspension is imposed subject to conditions such as the completion of education or behavioural training, the provision of a written apology, or any other corrective requirement, the Club Associate remains Suspended until **all** conditions in the Determination have been completed to the satisfaction of the Zone or NNSWF (whichever body imposed the Sanction). A Suspension does not expire while any required condition remains outstanding.

Additional Suspension for Players or Club Officials with Prior Yellow Card Accumulation Sanctions

13.18 Where a Player or Club Official has already served a Suspension for accumulation of Yellow Cards during the same Competition Season and subsequently receives a Red Card:

- (a) an additional one (1) Match Suspension will be imposed in addition to the Minimum Mandatory Suspension for the Red Card; and

- (b) the additional Match Suspension under **clause 13.14 (a)** may be applied only once per Competition Season, regardless of the number of Red Cards received after the accumulation Suspension.

13.19 For the avoidance of doubt, any Player or Team Official dismissed from a Match is subject to all applicable suspension rules and restrictions set out in these Regulations, including the restrictions applying to Suspended Club Associates.

13.20 Additional Minimum Mandatory Sanctions for Team Officials are outlined in **Schedule A – Table 4**.

Grand Final and Cup Final – Post-Match Presentation Restrictions

13.21 Any Team Official who the Referee issues a Red Card during a Grand Final must not enter the Field of Play or any presentation area for post-match ceremonies or award presentations.

Publication of Suspensions

13.22 Suspensions imposed in Zone Competitions may be published on the Zone and/or NNSWF website. Publication does not limit any obligation of confidentiality under these Regulations.

14. Accumulation of Red Cards

14.1 A Player or Club Official who accumulates the number of Red Cards specified in **Schedule A – Table 5 (Accumulation of Red Cards)** during a Competition Season must serve the Minimum Mandatory Match Suspensions set out in that Table, as determined and confirmed by NNSWF.

14.2 A Player or Club Official who is stood down by a Club will not be regarded as having served any part of a Suspension unless and until NNSWF confirms the Suspension in writing.

14.3 Each Club is responsible for recording, monitoring and enforcing all Red Card offences, accumulations and related Suspensions as determined and confirmed in writing by NNSWF in respect of its Players and Club Officials.

14.4 Red Cards received in any Competition, including Cup, League or Finals Series Fixtures, will count toward the accumulation totals specified in **Schedule A – Table 5**, regardless of the Competition in which the Red Card was issued.

14.5 Suspensions arising from the accumulation of Red Cards must be served in the Player's or Club Official's next Competition Match, irrespective of the Competition in which the Red Cards were received.

14.6 A Club Official who receives three (3) Red Cards in a Competition Season must be referred to an Independent Panel for consideration of any further Sanction.

14.7 Each Club must ensure compliance with all Suspensions confirmed by NNSWF and must not permit any Player or Club Official to participate in a Match while under Suspension.
