Dear All,

We have recently relaunched the Premier Competitions Club Calendar:

[NNSWF Premier Competitions Calendar](#)

This is a live calendar that includes all fixtures and key dates from JDL through to NPL, and should be used as a central reference point for planning across the season.

For those that haven't used TeamUp previously, you can click each calendar individually on the left side of the page to make it appear, or disappear, and can also select which view you (week, month, year etc) you prefer to view.

Additional key dates, deadlines and events will continue to be added to the calendar to assist clubs in staying across requirements and upcoming commitments. We will look to add key invoicing dates to the calendar shortly also to ensure you are aware of when main invoices are due to be paid, and also submitted for JDL hosting.

Should there be any issues with anything in the calendar please let us know.

Kind regards,

Liam Bentley
