Dear all,

Northern NSW can confirm that in line with **Rule 9.3**, the Mid-Season Player Roster Transfer Window will open at **9am on Monday, 11 May**, please note the following key information prior to the window opening:

- All clubs are required to submit an updated player roster by the closing date.
- Clubs are permitted to make an unlimited number of changes to their player roster.
- Whilst the player roster submission is required, players must also be registered with the club and made active in PlayFootball to be considered eligible to play.
- Any player over the age of 20 (i.e. turning 21 in 2026) must be included in this registration window to be eligible to play for the remainder of the season.
- If a player deregisters from a club during the window with the intention of being added to a different club's player roster and the previous club does not accept his deregistration prior to the close of the window, provided the player is included on the roster – that player will be eligible to play only when the 7 days has lapsed and the player is registered and made active.
- Clubs are limited to a maximum of 3 players who have registered with an A-League Club, for A-League Competitions, in season 25/26.
- Returning A-League players can be registered with your club once their professional registration finishes but cannot take the field until 30 days after they were last on the team sheet in a professional match.
- Northern NSW Football will publish the completed and updated rosters prior to 5pm next Friday.

The Mid-Season Window closes at **12pm on Friday, 15 May**, all rosters must be submitted to [competitions@northernnswfootball.com.au](mailto:competitions@northernnswfootball.com.au).

If you would like a copy of your current roster, please reach out to me directly and it can be provided.

Kind regards,

**Thom Kane**
