<b>Female Only Grassroots Course</b>	<p>The development of female coaches is integral to the continued growth of football and more specifically, female participation. Female Only courses provide an opportunity for teachers, first time coaches, and coaches of players up to 8 years of age to get together, gain insight and make connections with women in similar situations. The course also aims to enhance the development in coaching and the experience of their players.</p> <p>The three (3) hour course provides the novice coach with the necessary tools to create a fun environment for the players, one in which they can learn to play with the ball and hopefully build a lifelong love of the game.</p>	Armidale	12 <sup>th</sup> May 6pm-9pm	<a href="http://education-ffa.sportingpulse.com/Entry/?EID=12095">http://education-ffa.sportingpulse.com/Entry/?EID=12095</a>
