# KNOCK THE BALL OFF

End activity

Players are divided into two equal teams with one ball for the game.

For a team to score, they must hit one of the targets and knock the ball off the marker.

The first team to knock all of the balls off wins the game.

**Set up:** In a field approximately 20m by 30m. Instead of goals, there are balls resting on top of markers along the by-line. Have spare match balls close by.
