Outline of Strategic Activity What is the principal purpose?	The revised documentation aims to be practical, relevant and to provide Member Zones with a comprehensive overview of the myriad of strategic initiatives, programs and services implemented by NNSWF. The Charter will clearly identify the activities which rely on input and the co-operation of Member Zones. NNSWF is confident that the amended Member Zone Charter will assist NNSWF and Member Zones to more effectively meet our agreed responsibilities and to pursue our agreed common aims for the growth, development and promotion of Football throughout Northern NSW and clearly delineate respective areas of responsibility.
