

How to Set Up TeamApp and Gain Access to Your Chat Group!

Step 1: Download the TeamApp App onto your phone & open

Step 2: Either log in or sign up

Step 3: The icons displayed below are what we call "Access Groups". You may or may not already have access to certain groups. Click on the "Find Your Team/Club" Icon.

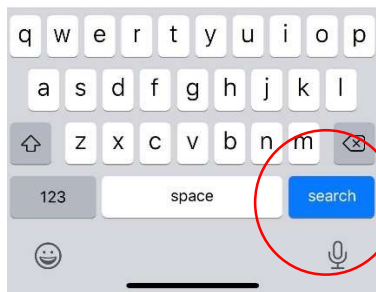

CLICK
HERE

Step 4: In the search bar type “MiniRoos Kick-Off for Girls” and search

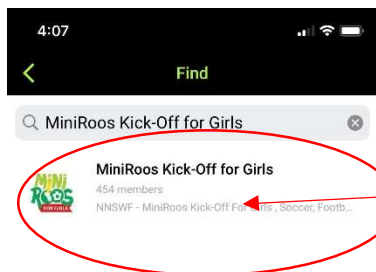

ENTER
TEXT

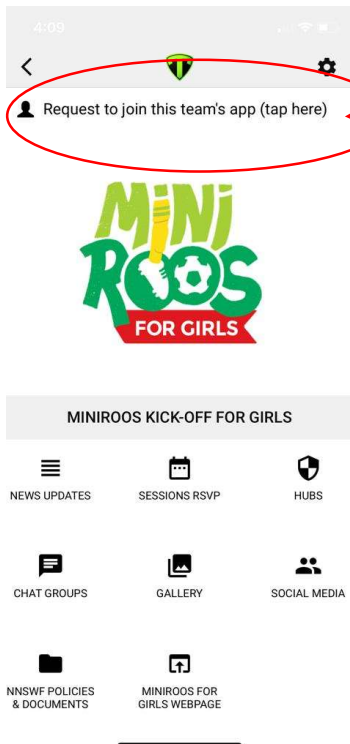

CLICK
HERE

Step 5: Click this icon that appears

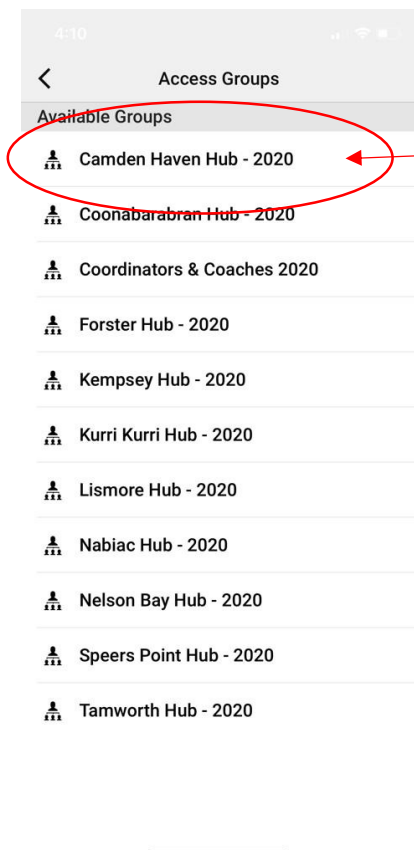

CLICK
HERE

Step 6: Press request to join this team's app

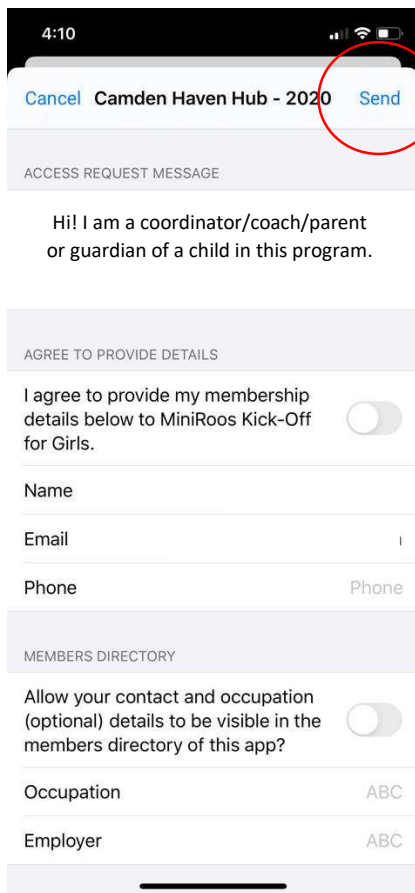

CLICK
HERE

Step 7: Click the Access Group that you want to be part of. Eg: if you are a coach or parent at the Camden Haven Hub, click Camden Haven

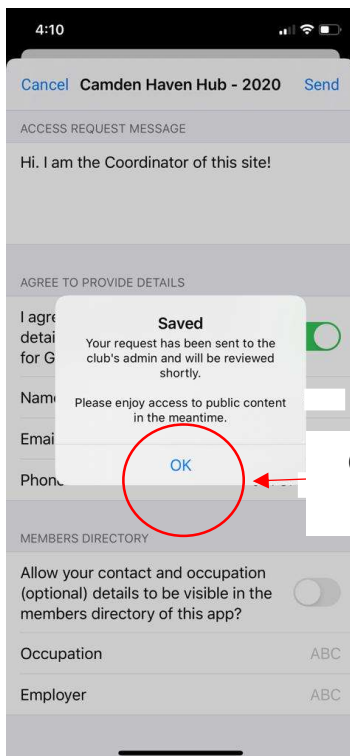

CLICK
HERE

Step 8: You will have to add in your personal details & press send

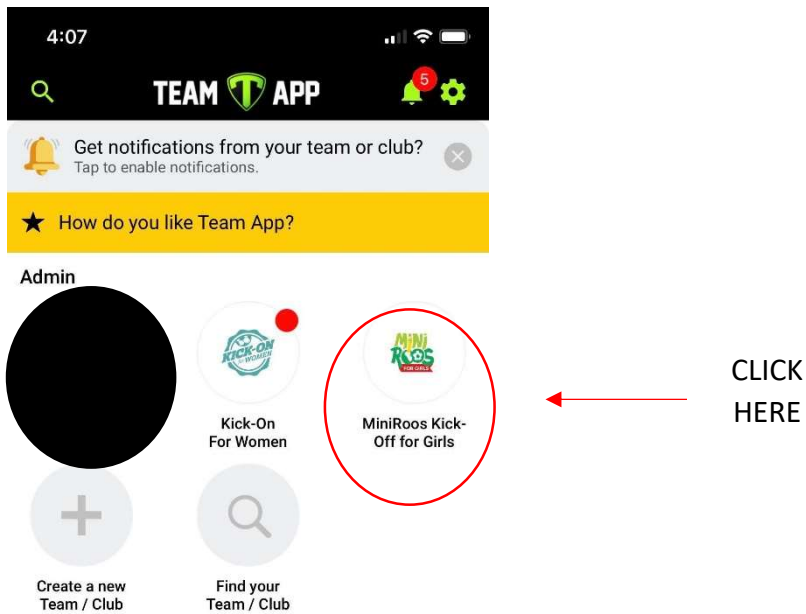

CLICK
HERE

Your request to join will be confirmed as below

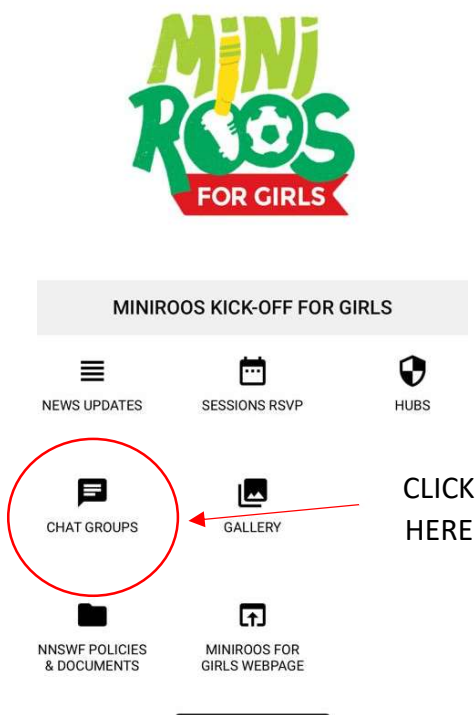

CLICK
HERE

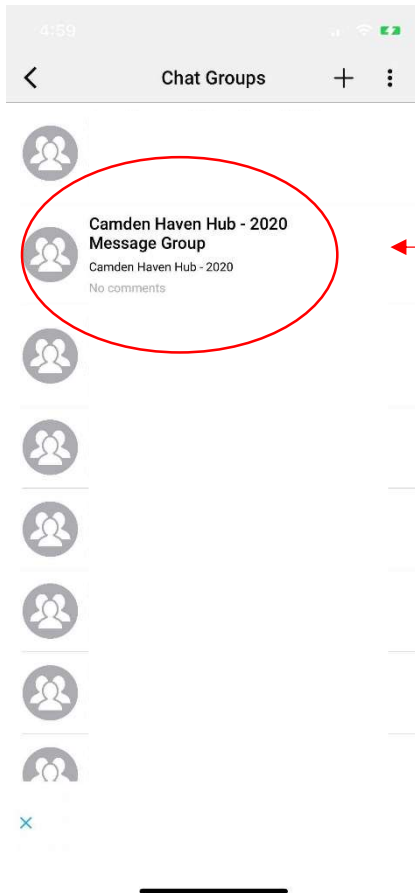

Step 8: The NNSWF Program Manager will have to accept your request to join the relevant hub. After you have been accepted the main page of your TeamApp will include the below icon

Step 9: After you have clicked the MiniRoos Kick-Off for Girls Icon as above, the homepage for it will look like this. Click on the "Chat Groups" icon

Step 10: Here you will be able to see your chat group (this will be based on the hub that you were given access to)

CLICK HERE

You can now see your chat group! This is how **ALL communication will occur between coordinator and parents. Please ensure you check your TeamApp prior to all sessions for important information! All wet weather & hot weather cancellations will also be communicated via TeamApp.**

Make sure to turn on your notifications for TeamApp so you don't miss important updates!
